INDEPENDENT AUDITOR'S ASSURANCE REPORT

To the Management Committee of Asbury Methodist Social Service ("the Agency")

We have audited the financial statements of the Agency for the year ended 31 March 2023 in accordance with Hong Kong Standards on Auditing issued by the Hong Kong Institute of Certified Public Accountants ("HKICPA"), and have issued an unmodified auditor's report thereon dated

25 OCT 2023

Pursuant to the Lump Sum Grant ("LSG") Manual issued by the Social Welfare Department of the Government of the Hong Kong Special Administrative Region ("SWD"), we have been requested to issue this assurance report in connection with the Annual Financial Report ("AFR") of the Agency for the year ended 31 March 2023.

Responsibilities of the Committee Members

In relation to this report, the Committee Members are responsible for ensuring the AFR of the Agency for the year ended 31 March 2023 is properly prepared in accordance with the relevant accounting and financial reporting requirements set out in the LSG Manual and other instructions issued by the SWD; and the use of the funds from the LSG by the Agency has complied with the purposes as specified in the LSG Manual and other instructions issued by the SWD.

Our Independence and Quality Management

We have complied with the independence and other ethical requirements of the *Code of Ethics for Professional Accountants* issued by the HKICPA, which is founded on fundamental principles of integrity, objectivity, professional competence and due care, confidentiality and professional behavior.

The firm applies Hong Kong Standard on Quality Management 1, which requires the firm to design, implement and operate a system of quality management including policies or procedures regarding compliance with ethical requirements, professional standards and applicable legal and regulatory requirements.

Auditor's Responsibility

Our responsibility is to form a conclusion, based on our engagement, and to report our conclusion to you.

We conducted our engagement in accordance with Hong Kong Standard on Assurance Engagements 3000 (Revised), *Assurance Engagements Other than Audits or Reviews of Historical Financial Information* and with reference to Practice Note 851 (Revised), *Reporting on the Annual Financial Reports of Non-governmental Organisations* issued by the HKICPA. We have planned and performed our work to obtain reasonable assurance for giving conclusion 1 and obtain limited assurance for giving conclusion 2 below.

The work undertaken in connection with this engagement is less in scope than an audit conducted in accordance with Hong Kong Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

In relation to our conclusion 1 below, we have planned and performed such procedures as we considered necessary with reference to the procedures recommended in PN 851 (Revised), to satisfy ourselves that the AFR has been properly prepared, in all material respects, in accordance with the relevant accounting and financial reporting requirements set out in the LSG Manual and other instructions issued by the SWD.

INDEPENDENT AUDITOR'S ASSURANCE REPORT

To the Management Committee of Asbury Methodist Social Service ("the Agency")

- Continued -

In relation to our conclusion 2 below, we have obtained an understanding in respect of the purposes of the use of the funds as specified in the LSG Manual and other instructions issued by the SWD and obtaining an understanding of the control procedures. We are not required to perform any procedures to search for instances of the use of funds from the LSG by the AGENCY being non-complied with the specified purposes. Our work was limited to reporting non-compliances identified as a result of the procedures performed in relation to conclusion 2 and during the normal course of our work relating to conclusion 1. The procedures performed in a limited assurance engagement vary in nature and timing from, and are less in extent than for, a reasonable assurance engagement. Consequently, the level of assurance obtained in a limited assurance engagement is substantially lower than the assurance that would have been obtained had a reasonable assurance engagement been performed.

Conclusion

1. In our opinion, the AFR of the Agency for the year ended 31 March 2023 is properly prepared, in all material respects, in accordance with the relevant accounting and financial reporting requirements set out in the LSG Manual and other instructions issued by the SWD.
2. Based on the procedures performed and evidence obtained, nothing has come to our attention that causes us to believe that the use of the funds from the LSG by the Agency has not complied, in all material respects, with the purposes as specified in the LSG Manual and other instructions issued by the SWD.

Intended Users and Purpose

This report is intended solely for submission by the Agency to the SWD and is not intended to be, and should not be, used for any other purpose. We agree that a copy of this report may be provided to the SWD without further comment from us.

Notes :

- (1) Interest received on LSG (including HA) and Provident Fund reserves, rent and rates, central items are included as one item under LSG; and the item is considered as part of LSG reserve.
- (2) Accumulated balance of LSG Surplus b/f from previous years (including all interest received in previous years (see (1) above) and the balance of HA should be separately reported as in the surplus b/f under LSG and HA respectively.
- (3) Amount of LSG Reserve used to cover the salary adjustment for Dementia Supplement and Infirmary Care Supplement, if any, as per Schedule of Central Items.
- (4) For NGOs without HA, separate disclosure of the movement of HA in their respective AFRs is not necessary. The level of LSG cumulative reserve (i.e. S1) will be capped at 25% of the NGO's operating expenditure (i.e. Total Expenditure (T1) excluding Provident Fund Contribution (K)) for the year.

For NGOs with HA, with effect from 2022-2023, the calculation of the annual claw-back is as follows:

- With Snapshot Staff (SS) [i.e. Position of SS as at 1 September being reported on the Agency Staff List submitted by NGO last year was greater than zero]
The level of LSG cumulative reserve (i.e. S1) will be capped at 25% of the NGO's operating expenditure (i.e. Total Expenditure (T1+T2) excluding Provident Fund Contribution (K)) for the year.
- Without SS [i.e. Position of SS as at 1 September being reported on the Agency Staff List submitted by NGO last year (which is regarded as Year 0) was zero]
For the next three years (Year 1 to Year 3), the level of LSG cumulative reserve (i.e. S1) will be capped at 25% of the NGO's operating expenditure (i.e. Total Expenditure (T1) excluding Provident Fund Contribution (K)) for the year.
From the fourth financial year (Year 4) onwards, the level of LSG cumulative reserve and HA reserve will be counted altogether and the combined reserve amount (i.e. S1+S2) will be capped at 25% of the NGO's operating expenditure (i.e. Total Expenditure (T1+T2) excluding Provident Fund Contribution (K)) for the year. In this regard, separate disclosure of the movement of HA in their respective AFRs is not necessary.

For any amount above the cap, SWD would arrange the claw-back (including provisional in the following financial year) accordingly.
